

The "ROAR" Before the Rolex 24

CV&CCC Members;

On Friday January 5th we will make our annual trip to Daytona International Speedway to witness IMSA Testing for all of entries for the Rolex 24 at Daytona.

A few changes to the schedule this year. Saturday there will be a 1 Hour and 45 Minute endurance sprint race for Mazda Prototypes along with the regular testing of all classes.

We have the option of staying at the Hilton Garden Inn located in Palm Coast. The special club rate is \$109.00 a night with a cooked to order breakfast. The information is located on the CV&CCC Website under the Members Only Section.

For those members that want to go for the day, tickets are \$15.00. If you have a ticket for the Rolex 24, you have free admission.

We are considering a bus if we have enough members that want to go for the Friday Test Session.

We will depart from the Citrus Hills Activity Center at 6:45 a.m. on the 5th. The Activities Center is located at 240 West Fenway Drive in Hernando.

Please register online on the CV&CCC Calendar no later than December 10, 2017.
