Sea Life Encounter Cruise

Friday July 19th at 1:30 we will join a marine biologist on this 1 hour, 45-minute cruise through Sarasota and Roberts Bays. Observe our Florida manatees and resident population of bottle-nose dolphins while learning about the ecology, history, and folklore of the area. Your guide will lead you on a short nature walk on an uninhabited island followed by a unique opportunity to view pelicans, herons, ibis and egrets in their nesting habitat. The highlight of this trip is the collection of a sample of marine life with a trawl net. Observe and handle some of the curious residents of Sarasota Bay: puffer fish, sea horses, stone crabs, and cow fish to name a few. Check-in is 30 minutes prior to departure. **Cost is \$26.00 per person if we have 20 people! \$29.00 per person if we have 15 people.**
