## Waterfront Dining

Welcome to the Crystal River  
Margarita Breeze Restaurant  
at the Port Hotel & Marina

**Join us for Brunch on November 16, 2019 @ 2:00pm. We will be seated on the deck out back.**

**We will all meet at the restaurant @ 2:00pm**

The Margarita Breeze offers casual waterfront dining at its best. Fresh seafood, pasta, burgers, chicken pork or steak, round out our scrumptious menu.

You can also enjoy our mouth-watering appetizers and salads as well as our sinful deserts.

The Margarita Breeze has inside and outside dining offering a panoramic view of Kings Bay and the surrounding islands. Graceful egrets and herons sail past on the warm breezes as you enjoy your sea-side dinner and watch for surfacing manatees.

After dinner watch the sunset and enjoy a glass of wine, cocktail or cold beer on tap at the Tiki Bar; surrounded by water on three sides, it's a tropical oasis which seems to rise straight up out of the sea.

When the sun goes down at the Margarita Breeze, things heat up at the Tiki Bar, especially when there is live music and the only dance floor right on King's Bay. We understand that the Manatees really like "Calipso" music.

Margarita Breeze Restaurant is open for lunch and dinner.
